

PURSUIT LIABILITY & EMERGENCY DRIVING COURSE

ABOUT THE CLASS

COOPS EVOC presents a comprehensive, two-day class comprised of classroom and hands-on driving courses. Join Certified EVOC Instructors as they provide invaluable instruction focused on improving employee driving habits and skills to establish a safer working environment.

The four-hour classroom portion of the course will discuss current trends in pursuit liability, case law, and relevant statistics surrounding police pursuits and emergency driving.

Attendees will then spend a day and a half focusing on enhancing their driving skills in a controlled environment, with a focus on understanding how vehicle dynamics and human factors impact their performance.
